DEPARTMENT OF
CHEMICALS &
PETRO-CHEMICALS

Honouring Innovation in the Petrochemicals Sector

Inviting nominations for the 1st Petrochemicals Research and Innovation Commendation

Category I: Research and Innovation in Polymers

- Innovation in polymeric materials and products
- Innovation in green polymeric materials and products
- Innovation in packaging techniques including creative design
- Innovation in polymer processing machinery, equipment, robotics and automation
- Innovation in polymer waste management
- Petrochemicals and new polymer applications
- Research in the field of polymer science & technology (for research students)
- Innovative "Start-up" venture in the polymer field

Category II: Application of Polymers in Various Fields

- Polymers in agriculture and water conservation
- Polymers in medical and pharmaceutical applications
- Polymers in other fields

Last Date of Submission: 15th February, 2024

Implemented by:

Department of Chemicals and Petrochemicals

Organized by:

Central Institute of Petrochemicals Engineering & Technology (CIPET)

Head Office, T.V.K. Industrial Estate, Guindy, Chennai - 600 032.
