

CENTRE FOR BIOPOLYMER SCIENCE & TECHNOLOGY (CBPST)

A Unit of CIPET

(Department of Chemicals & Petrochemicals,
Ministry of Chemicals & Fertilizers, Govt. of India)

Eloor, Udyogamandal P.O., Kochi - 683 501

Admissions 2018

M.Sc. Biopolymer Science

M.Sc. Polymer Science

Centre for Biopolymer Science and Technology (CBPST), a unit of CIPET at Kochi was established in the year 2012. Central Institute of Plastics Engineering and Technology (CIPET) is a premier national institution under the aegis of Ministry of Chemicals & Fertilizers, Govt. of India, established at Chennai in the year 1968 and now spread over 32 locations across the country.

CBPST is one of the five high learning centres of CIPET offering academic programs in Polymer Science & Technology and focus on promoting bioplastics and allied industries in India. CBPST is an ISO 9001 certified institution having state of the art facilities for Plastics Processing, Product Design using CAD/CAM, and Testing and Quality Control of Polymer Materials and Products with NABL accreditation and BIS recognition. CBPST is fully devoted to Skill development, Technology support services, Academic and Research (STAR) activities and caters to the need of plastics and allied industries by providing technical manpower, technology support, consultancy, and research & development.

CBPST in collaboration with Cochin University of Science & Technology (CUSAT), offers the following academic courses.

M.Sc. Biopolymer Science

[Four semester (2 Years) full time program]

M.Sc. Polymer Science

[Four semester (2 Years) full time program]

Students who are aspiring to pursue the above Masters programs should apply online at www.cusat.ac.in for Common Admission Test (CAT 2018) conducted by CUSAT. The admission for the above courses is based on the CUSAT CAT 2018 rank.

The last date for online registration for CAT 2018 is 28th February, 2018 and with fine is 3rd March, 2018. The tentative date for CAT 2018 for above courses is 29th April, 2018 and the subject code is Chemistry 604.

Eligibility for M.Sc. programs: B.Sc. in Polymer Science, Polymer Chemistry, Chemistry, Industrial Chemistry or any B.Sc. Degree with Chemistry as one of the subjects.

Last date for applying online at
www.cusat.nic.in - February 28, 2018

Date of CAT 2018 (Chemistry 604)
April 29, 2018
