

## CENTRAL INSTITUTE OF PLASTICS ENGINEERING & TECHNOLOGY(CIPET)

(Department of Chemicals & Petrochemicals  
Ministry of Chemicals & Fertilizers, Govt. of India)

### **Recruitment of Scientist (JULY 2016)**

Central Institute of Plastics Engineering & Technology (CIPET) is a premier Government of India Institute fully devoted to Skill, Technology Support Services, Academic and Research (STAR). Envisioned to be a Global R&D hub, CIPET has established two exclusive Applied Research Centres viz Advanced Research School for Technology & Product Simulation (ARSTPS) at Chennai and Laboratory for Advanced Research in Polymeric Materials (LARPM) at Bhubaneswar. The R & D Wings are equipped with state-of-art technical infrastructure to carry out applied research for indigenous development of materials and products and technology transfer to various industries such as aerospace, agriculture, automobile bio-medical, defence, renewable energy, information technology etc.

CIPET invites applications from bright, dynamic and highly motivated researchers for the position of Scientists to focus on Applied Research with innovative ideas and right aptitude at the two R & D wings:

<b>Scientist</b>	<b>Pay Band: PB-3 Rs.15600-39100 Grade Pay: Rs.6600/-</b>
------------------	---
