

**CENTRAL INSTITUTE OF PETROCHEMICALS
ENGINEERING & TECHNOLOGY (CIPET)
Head Office, Guindy, Chennai.**

QUALITY POLICY

To provide impartial, efficient and timely professional inspection services of International Standard for plastic materials, semi-finished, finished and other allied products through highly qualified, competent technical personnel to the utmost satisfaction.

To become a globally renowned organization in providing Inspection Services in the plastics & allied arena by optimization of technology, systems and expertise.

OBJECTIVES:

- ❖ To provide the highest level of inspection services to all its customers at all times in an effective manner.
- ❖ To provide total customer satisfaction as inspection agency as per internationally accepted standards.
- ❖ To provide facilities and environment for offering unbiased inspection services.
- ❖ To maintain a quality system as per National Accreditation Board for Certification Bodies (NABCB) criteria and guidelines of ISO/IEC- 17020:2012, ILAC-P15:05/2020.

COMMITMENTS:

The management commits itself to ensure that the above policy is implemented and the objectives set are achieved through empowerment, encouragement and efficient team work.
