CIPET reserves the right to accept or reject any or all EOI either in whole or in part, without assigning any reason for doing so.

**Principal Director & Head**

## **Introduction:-**

**Central Institute of Petrochemicals Engineering & Technology (CIPET)** was established in 1968 by Government of India with the assistance of United Nations Development Programme (UNDP) at Chennai. The main objective of setting up of the institute was to develop manpower in different disciplines of Plastics Engineering & Technology as no similar institute was in existence in the country. International Labour Organization (ILO) served as the executing agency. During the initial project period between 1968 and 1973, the institute achieved the targets envisaged and was rated as one of the most successful UNDP projects implemented worldwide. Today CIPET is a premier national institution under the aegis of **the Ministry of Chemicals & Fertilizers, Govt. of India fully devoted to Skill Development, Technology Support Services, Academic and Research (STAR).**

## **About CIPET:CSTS, Bhopal:-**

CIPET Centre in the state of Madhya Pradesh was established at Bhopal in the year 1988. Bhopal city is the capital of M.P. well known as "City of Lakes". In this beautiful green city, CIPET is located nearby BHEL in Govindpura Industrial Area on J.K.Road. This Centre's campus area is 6 acres and Govt.of Madhya Pradesh has sanctioned additional 11 acres of land for expansion. The city is fast growing as Educational Hub of the country.

CIPET:CSTS, Bhopal is providing training, technical and consultancy services in Design, CAD/CAM/CAE, Tool Room, Plastic Processing and Testing. The centre is consistently progressing and provided placement of trainees through campus interview. The centre has following specific achievements in various areas of training, technical and research & development activities.

CIPET:CSTS, Bhopal is presently conducting four Long Term Courses and also short duration programs in Plastics Processing/Injection Moulding/Extrusion/CNC Milling/ CNC Lathe etc. Also our CAD department is conducting various specialized training on CAD Software's.

## **General Instructions and Terms & Conditions**

1. Any EOI received after the scheduled time or incomplete in any manner will not be accepted.
2. The bidder (supplier / manufacturer) is expected to examine all instructions, terms & Conditions, specifications in the EOI form. Failure to furnish information required in every respect will be the Bidders risk and may result into rejection of the bid.
3. **Amendment of Bidding Documents:**  
At any time prior to the submission of the bids, the Purchaser may, for any reason, whether at their own initiate or in response to the clarification requested by the prospective Bidder, may modify the Bidding Documents by amendments.  
The amendment will be notified in writing or by telephone to all prospective Bidders who have received the EOI documents.
4. **Signing of Bid**  
The bid shall be typed or written in indelible ink and shall be signed by the Bidder or a person or persons duly authorized to bind the Bidder to Contract.
5. **Submission of Bid**  
(a) The EOI will be required to submit the EOI in two bid system in two separate envelopes as mentioned below:  
  
Envelope No. 1 super-scribed as “Technical Bid” should contain an Introductory letter of supplier/manufacturer/contractor along with copies of documents as evidences for the past 3 years turn over and past experience. The supplier / manufacturer has to fill up **Annexure “B”** with his signature along with all supporting documents.  
  
Envelop No. II super/scribed as EOI for Financial Bid and should contain the EOI form duly signed in each page by contractor/authorized signatory along with priced bid. The supplier / manufacturer has to fill up **Annexure “C”**.  
  
Both Envelope I & II should be placed in large envelope which should be super-scribed As “**EOI for Anodizing on Modified Aluminium Plug for Dummy Shell**” and addressed to Principal Director & Head, CIPET, G Sector, Govindpura Industrial Area, Bhopal 462023.
6. If the envelope is not sealed and marked, the Purchaser will assume no responsibility for the bid’s misplacement or premature opening
7. **Deadline for submission of Bids**  
Bids must be received by the Purchaser at the address specified under commercial bid not later than **03.00 PM on 16/09/2021**
8. The Purchaser may, at its discretion, extend this deadline for the submission of bids by amending the Bidding Documents in accordance with clause 3, in which case all rights and obligations of the Purchaser and Bidders previously subject to the deadline will thereafter be subject to the deadline as extended.
9. Modified Aluminium plugs will be supplied to bidder in various lots as per availability at CIPET Site.

**9. Contacting the Purchaser**

No bidder shall contract the purchaser on any matter relating to its bids, from the time of bid opening to the time the contract is awarded.

**10. Evaluation of Bid**

(i) The large envelope (containing separate envelope I & II) will be opened first in the on 17/09/2021 at 11.00 AM. Thereafter the envelope I i.e. Technical Bid will be opened.

(ii) Those tenderers who have not enclosed Technical Bid documents for evaluation will be summarily rejected. In such cases their Envelope II which contain the financial bid will not be considered.

(iii) The bidders will be pre-qualified in technical bid, who fulfills the following criteria:

- DIC/SSI/MSME etc. registration for similar type of business.
- Minimum annual turnover of Rs. 20 Lakh or more.
- Valid GSTIN no.
