

| Sumamry Sheet For Tender No. 2023-24/04 |  |                    |           |                              |
|---|--|--------------------|-----------|------------------------------|
| S.No                                    | Name of Equipment  | GeM Bid Number     | Qty       | Required at CIPET Centre     |
| 1                                       | UTM (10 kN)  | GEM/2023/B/4040642 | 1         | SARP, LARPM -<br>Bhubaneswar |
| 2                                       | Spectrofluorometer   | GEM/2023/B/4040257 | 1         |                              |
| 3                                       | Electro-Spinning Unit  | GEM/2023/B/4039219 | 1         |                              |
| 4                                       | Rotary Evaporator system with chiller and vacuum pump                          | GEM/2023/B/4040840 | 1         |                              |
| 5                                       | CO2 Incubator  | GEM/2023/B/4038900 | 2         |                              |
| 6                                       | Aerobic Biodegradation Tester  | GEM/2023/B/4036298 | 2         |                              |
| 7                                       | Anaerobic Biodegradation Apparatus   | GEM/2023/B/4038458 | 1         |                              |
| 8                                       | Liquid Nitrogen Plant (10 litre / day)   | GEM/2023/B/4039562 | 1         |                              |
| 9                                       | Nitrogen Generator (Purity99.99%)  | GEM/2023/B/4041831 | 2         |                              |
| 10                                      | Smoke Density Chamber, Smoke Toxicity & Single Flame Source                    | GEM/2023/B/4042432 | 1         |                              |
| 11                                      | Fume Hood  | GEM/2023/B/4041184 | 2         |                              |
| 12                                      | Hot Air Oven   | GEM/2023/B/4041574 | 1         |                              |
| 13                                      | Vacuum Oven  | GEM/2023/B/4042591 | 1         |                              |
| 14                                      | Multi - Product Calibrator Multi Function Calibrator With 8.5 Digit Multimeter | GEM/2023/B/4042314 | 1         |                              |
| 15                                      | Black Body (35°C to 500°C)   | GEM/2023/B/4042195 | 1         |                              |
| 16                                      | Force Proving Rings (100N, 2kN, 20kN, 200kN)                                   | GEM/2023/B/4042025 | 1         |                              |
| 17                                      | Thermo Gravimetric Analyser (TGA)  | GEM/2023/B/4042534 | 1         |                              |
| <b>TOTAL</b>                            |  |                    | <b>21</b> |                              |
