

Technical Specification
Volume And Surface Resistivity Tester

| | | |
|---|------------------------|--|
| 1 | Measurement Range | Up to 2.0 Tera Ohms |
| 2 | Input Supply | 230 V |
| 3 | Display | Digital |
| 4 | Confirming to Standard | ASTM D 257 |
| 5 | Electrode | Standard electrodes, Guard ring as per the dimension given the above standard for polymers |
| 6 | D C Power Supply | 10 V, 100 V, 500 V |
