3. ABOUT THE INSTITUTE

OVERVIEW

Central Institute of Petrochemicals Engineering & Technology (CIPET) (formerly known as Central Institute of Plastics Engineering & Technology (CIPET)) was established in 1968 by Government of India with the assistance of United Nations Development Programme (UNDP) at Chennai. The main objective of setting up of this specialized institute was to develop manpower in different disciplines of Plastics Engineering & Technology as no similar institute was in existence in the country. International Labour Organization (ILO) served as the executing agency. During the initial project period between 1968 and 1973, the institute achieved the targets envisaged and was rated as one of the most successful UNDP projects implemented worldwide. Today CIPET is a premier Academic institution for higher & technical education under the Ministry of Chemicals & Fertilizers, Govt. of India fully devoted in all the domains of plastics viz:- Design, CAD/CAM/CAE, Tooling & Mould Manufacturing, Production Engineering, Testing and Quality Assurance. CIPET operates from various locations spread across the country to cater the needs of the Polymer and allied industries.

A PREMIER GOVT. OF INDIA INSTITUTE FOR HIGHER & TECHNICAL EDUCATION AND RESEARCH IN THE FIELD OF POLYMER SCIENCE & TECHNOLOGY

Post-independence, it became a matter of concern that Plastic Engineering & Technology was a growing science and yet there was not enough human resource to meet the demand. Imperative need was felt to establish CIPET - the unique institute of its kind in the country and even today the institute holds a premier position. The primary objective of CIPET has been contributing towards the growth of the plastics industry through a combined program of education and research. The Institute has evolved through the years, creating closer ties with industries with the intent to create innovative plastic based solutions which are resource efficient and marketable. This has led to an exponential growth with activities and programs focusing on:

Skill Training

Technology

Support Academics

Research.
